53rd Annual Essex Inter – Club Projected Image Competition

Photofold were one of 8 clubs which entered, each club fielding 6 images to give a possible total of 60 points.

The Judge for this event was Paul Adams who has been kind to us in the past and who I consider to be a very well balanced judge – eventually giving scores between 7 and 10 (7 10's in total).

The competition proved to be a very close run fight – with the teams eventually being split into two Groups – An incredibly tight group of 4 teams at the top – separated by just 1 point, and the remaining four teams scoring just under 50 points. The Competition ended in a tie between Chelmsford and Benfleet, with Chelmsford declared the eventual winners due to their higher number of images scoring the maximum 10 points (Chelmsford 2 and Benfleet just the 1).

Photofold eventually came 3rd (The same as last year) – losing by just 0.5 points, however we did get the “Best Image of the Night” with Barry Harrington’s portrait of Phillipa – So congratulations to Barry.

Final Results were as follows:

1 st	Chelmsford Camera Club	55 pts
2 nd	Benfleet CC	55 pts
3 rd	Photofold	54 ½ pts
4 th	Upminster CC	54 pts
5 th	Leigh CC	49 ½ pts
6 th	Southend CC	48 ½ pts
7 th	Ingatestone CC	48 pts
8 th	Maldon CC	46 pts
